

Royal Baking Powder

Absolutely Pure

DISTINCTIVELY A CREAM OF TARTAR BAKING POWDER

It does not contain an atom of phosphoric acid (which is the product of bones digested in sulphuric acid) or of alum (which is one-third sulphuric acid) substances adopted for other baking powders because of their cheapness.

Complete Market Reports Corrected Each Day Giving the Wholesale Prices of Commodities, Farm Produce and Vegetables.

PORTLAND, April 17.—Potatoes are reported to be in quite heavy supply in growers' hands, despite the advanced season. A wide difference of opinion is found to exist among dealers as to a probable change in quotations in the immediate future. One prominent dealer says:

"I have just returned from a tour of the neighboring counties and find farmers holding on to their potatoes as though a famine was imminent. I could not secure a sack of a price I can figure a profit on. Here and there an optimistic grower even talked dollar potatoes, which to my mind is not warranted by anything I can see in trade conditions.

An average of one cent a pound is announced this morning on bacon, and of 1-4 cents per pound on all brands of lard.
